A re-accreditation site visit must be undertaken before the end of the current accreditation term. Accreditation automatically continues from the date of the site visit until the Council's decision. You can find the date of the next Council meeting at which accreditation decisions are made on the [Dates to Remember](#) page. This listing of accredited schools and programs is updated within 30 days of an accreditation

decision. If you have a question about the timing of accreditation decisions, contact CEPH staff.

For information about schools or programs that may have been accredited in the past, contact CEPH to confirm dates.

1. Was known as UMDNJ/Rutgers/NJIT until July 1, 2013
2. Currently accredited as a program, in transition to a school of public health.
3. Currently accredited as a program, in transition to a school of public health.
4. Currently accredited as a program, in transition to a school of public health.

Council on Education for Public Health

An independent agency recognized by the U.S. Department of Education to accredit schools of public health and public health programs outside schools of public health.
