**Legend:**
- **University Name:** Name of the university.
- **Program Type:** Type of program offered (e.g., MPH).
- **School:** School of Medicine associated with the university.
- **Address:** Physical address of the program.
- **Phone:** Phone number for the program.
- **Website:** Website for the program.
- **Contact:** Name and contact information for the program director.

**Notes:**
- Probation: Program is currently under probationary status.
- Details such as specific program names and contact information may vary.
- Some programs may have additional or different contact information available online.

**Contact:** For more detailed information, it is recommended to visit the official websites of the universities listed.

**Further Reading:**
- Official university websites for more comprehensive program details.
- Regional accreditation boards for program credibility.
- Program-specific publications and resources.

The date in parentheses noted for each school or program represents the year first accredited or preaccredited.

The second date indicates the conclusion of the current accreditation term; the next scheduled review must take place prior to that date.

For information about schools or programs that may have been accredited in the past, contact CEPH to confirm dates.
