American Association of Public Health Dentistry Foundation

Call for Proposals Small Grant Program

Request For Proposal

The AAPHD Foundation announces the 2018 Small Grant Program.

What?

Up to \$5,000 to stimulate innovative education or research projects that benefit dental public health and the public. The funding activity has a limited duration, up to one year.

Why?

The Small Grants Program will provide "small grants" that serve as an incentive to individuals and entities to move science, policy, and practice to the "next step" toward enhancing oral health.

Who?

Award recipients must be members of AAPHD.

How?

Complete the application form and submit via email with supporting documents to info @aaphd.org.

When?

December 15, 2017
– Proposals Due

– Proposal Review

February 28, 2018
– Inform Grant Recipients

Please read the full RFP on the AAPHD website prior to submitting your application.
