

Call for Poster and Oral Abstracts

General Poster and Oral Presentations 2019 National Oral Health Conference® April 15-17, 2019 ♦ Memphis, Tennessee

The American Association of Public Health Dentistry (AAPHD) Council on Educational Affairs invites abstract submissions for the General Poster and Oral Presentations sessions for the 2019 National Oral Health Conference® (NOHC).

The Council is interested in issues relevant to dental public health. These may address scientific research, community-based interventions, workforce issues, epidemiology of oral diseases, oral health disparities, oral health policy, oral health promotion, and program evaluation.

Your preference for a poster or oral presentation will be acknowledged. However, the final decision on presentation format will be the decision of the AAPHD Council on Educational Affairs.

Abstracts must be submitted online between October 5 and November 16, 2018 (11:45pm EST) at www.nationaloralhealthconference.com. No manual submissions will be accepted.

Notification of selection will be made in January 2019 via email.

Please note:

- NOHC utilizes an online submission process. Only abstracts submitted online are accepted, no exceptions.
- Abstracts to be considered for the AAPHD Student Merit Award program ***should not*** be submitted a second time for the General Poster Session.
- Authors may be listed on multiple abstracts, but an individual can present only one (1) abstract limited to an oral or poster format.
- Authors may only submit one abstract for the NOHC for either a Seminar/Workshop or General Poster/Oral Session. If the abstract is not accepted for a Seminar/Workshop, you will be notified by NOHC staff and provided the link to submit the abstract for consideration for the General Poster/Oral Session.
- Only one (1) author/co-author can present the abstract (either oral or poster format) at the conference.
- If the author/co-author is not able to attend the conference after confirming attendance, they will not be able to submit an abstract for the 2020 NOHC
- Funding sources must be identified.
- Presenters ***must have permission*** to present data/abstract when it is submitted for consideration.
- Conflict of interest disclosure is required for all authors and presenters.
- The abstract submitter will receive an immediate e-mail acknowledgement once the submission is ***complete***. All tasks must have a green checkmark indicator before your submission is complete.
- Only completed submissions will be reviewed for consideration.
- General Poster and Oral presenters selected to present at the NOHC must register and pay the applicable registration fees (Member, Non-Member, One Day, or Student). ***General Poster and Oral presenters are not eligible for the speaker registration categories.***
